

# THE NEW MEXICO EMOTIONALLY FOCUSED THERAPY COMMUNITY presents

## The FIRST EVER EFT Externship in New Mexico,

*to be held in Santa Fe on the beautiful campus of St. John's College!*

Transform the way you work with Couples and earn 28 ceu's at this 4 day intensive training! The Emotionally Focused Therapy (EFT) Externship, developed by Dr. Susan Johnson, is an immersion into the science and power of attachment, emotion and relatedness that can shift the way you understand couples in distress, and change the way you work with families and individuals. This is an experiential and didactic training that will help your success in your clinical practice as well as strengthen relationships in your own life!

*This is an official EFT Externship, endorsed by the Center for Excellence in Emotionally Focused Therapy (ICEEFT).*
